

The Oregon Affordable Housing Management Association Presents

VAWA and Affordable Housing

Continuing Education for Affordable Housing Providers

LIVE WEBINAR

Thursday, April 25, 2024, 10 am to noon, PDT

Residents of affordable housing programs are often among the most vulnerable populations, and protection for victims of domestic violence is one of the most important advancements in HUD requirements. The rules in VAWA create real-world protections for residents and affirm the affordable housing industry's responsibility to provide leadership and direction in making sure domestic violence victims have proper resources, support, and a safe place to call home.

This session focuses on the requirements that apply to affordable housing properties under VAWA. Topics covered include, but are not limited to:

- Overview of Legislative History
- Covered Housing Programs
- Key Terminology
- Denial of Tenancy or Assistance
- Lease Bifurcation
- Emergency Transfers
- Notification and Documentation Requirements
