

The Oregon Affordable Housing Management Association Presents

Transitioning from UPSC to NSPIRE

Thursday, July 23, 2026
Salem Convention Center, Salem

On October 1, 2023, all REAC properties transitioned to NSPIRE. Are your management and maintenance teams up to speed with all the changes? *You might be surprised at how significantly different NSPIRE is from UPSC!*

*****OHCS has now transitioned to these new NSPIRE Standards, and this class will cover all of the needed information to prepare your property for this important state inspection.*****

This one-day course will equip you with the knowledge of the new capital improvements required to ensure NSPIRE compliance, as well as provide insights on how to achieve a high score on your first NSPIRE inspection using actual NSPIRE scoring values. Our instructor, with 20+ years of experience, has already trained thousands across the country in these new standards. He will explain in great detail (using hundreds of actual field photos) how to properly transition from the UPSC to the new NSPIRE.

AGENDA

8:30 am to 4:30 pm

<ul style="list-style-type: none">➤ Introduction➤ NSPIRE overview➤ Setting repair priorities➤ Outside deficiencies➤ Unit deficiencies	<ul style="list-style-type: none">➤ Inside deficiencies➤ How to prepare a rock-solid appeal➤ Reviewing the NSPIRE compliance checklist➤ Inspection day planning

You will receive:

- ★ The exclusive *NSPIRE Inspection Guidebook*, the industry's only NSPIRE guidebook with point values for every defect. This convenient reference book is vital for comprehending the significant deviation from the UPSC.
- ★ You will also receive the *NSPIRE/REAC Priority Prep Card*. This compact, weather-resistant card is essential for acquiring the knowledge to establish the right priorities for REAC preparation.

Instructor: Ken Pilbin, President, U.S. Inspection Group

As one of the founders of U.S.I.G., Ken has over 20 years of experience with UPSC. Ken finalizes the inspection agreements, schedules inspectors, and follows up on all aspects of the inspection process to ensure client satisfaction. Ken also travels throughout the United States training people in NSPIRE inspection strategies.
